

TOBY & LEON COOPERMAN
SINAI RESIDENCES
BOCA RATON

March 13, 2020

To All Residents,

As we continue to monitor the current Coronavirus (COVID-19) situation the decision has been made for Sinai Residences to **discontinue the entry of all visitors, guests and vendors effective immediately.** Please note, all **PSPs (Personal Service Providers) (aides) WILL BE ALLOWED** admittance into Sinai Residences to care for you as needed. However, each PSP (aide) MUST comply with the following directives:

- Please enter through the main Sinai Residences entrance ONLY (NOT through the garage)
- Please check in with the staff personnel located at the front entrance lobby and complete the required screening (any non-compliance will result in non-admittance)
- Please comply with sanitizing, hand washing and other required procedures
- MUST NOT have any flu like symptoms (Coughing, Sneezing, Fever)

In addition, the **Activities calendar has been suspended until further notice.** We will re-evaluate the situation and update you next week. We ask that you as the residents take responsibility and if you are not feeling well please stay home.

Your cooperation is appreciated. We are in this together!

Chris Newport

Executive Director
